Add a new location

If you operate at multiple locations, or have different sports/dance activities at different locations, please add all the locations.

Login to the Sports Vouchers Portal; go to Provider Settings and then Venue Details.

1. Enter a Street Address (if you do not know the street address of the reserve or park, use the closest street). For the example below we are using the address across the street.

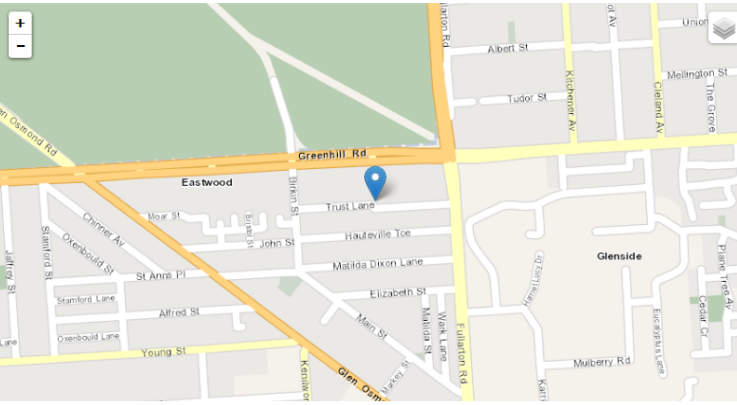

Edit Venue Details

Edit Club Details	Any changes to a Provider's venue location(s) will be reviewed by the Sports Vouchers Team. The review usually takes about 1-2 business days.
Edit Venues	
Edit Bank Details	

Tell us about the Provider venues. Parents and guardians will use this information to find you on the Sports Vouchers website.

To get started, enter an address or location of your venue to add a pin to the map. You can add multiple venues as required. To remove a venue, scroll down to the Venue List and click the arrow to select "delete".

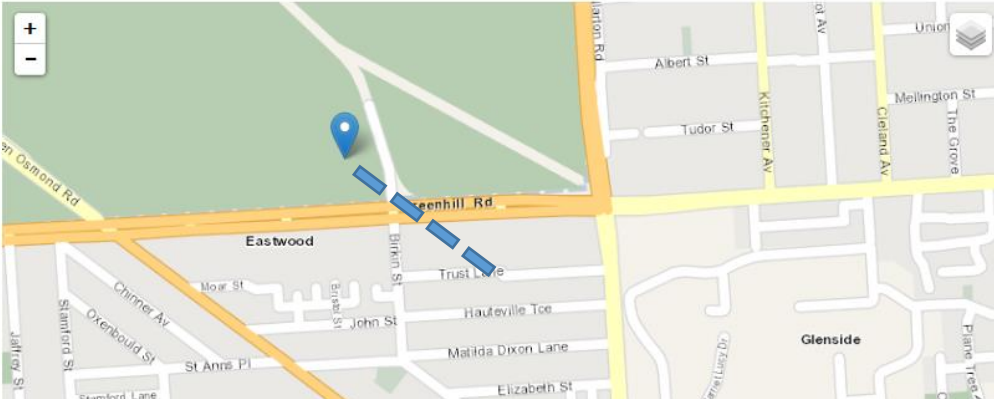

Street address / location: Suburb:

Not the correct location? You can drag the marker to the precise location.

2. Left click the blue pin, hold and drag the pin to the exact location.

Street address / location: Suburb:

- Type in public information which allows parents and carers to contact your organisation through the Find a Provider tool;
 - The 'Venue street address/location' can be directional text for example "southern end of Brighton Beach" or "Football clubrooms on XYZ Reserve"
 - Contact number, email and website should direct parents and carers to contact the provider.
 - Select the Activities offered by your club at this location.
